Staggered Scheduling

Consider staggering arrival and drop off times and plan to limit direct contact with parents as much as possible. Parents must go through the front for early pick-up.

Planning if someone is or becomes sick:

1. If your child has been sick, had a fever, or having flu like symptoms, we kindly ask that you do not attend any camp session unless the child is fully recovered (no temperature the day prior and his other symptoms improved)
2. Anyone who is sick or has been in contact with someone who has COVID-19— including Camper, family or others, should not be at the camp. Be on the lookout for symptoms of COVID- 19, which include fever, cough, or shortness of breath. Call your doctor if you think you or a family member is sick.
3. If someone does get sick during the camp, we have plans in place to isolate him. If you have a specific question about this plan or COVID-19, please contact me for more information. You can also find more information about COVID-19 below.

If COVID-19 is confirmed in a child or staff member:

- When a camper or staff member tests positive for COVID-19 and has exposed others at the camp, we will implement the following steps:
 - In consultation with the local public health department, the appropriate camp official may consider if closure is warranted and length of time based on the risk level within the specific community as determined by the local public health officer. <https://covid-19.sdcoe.net/Portals/covid-19/Documents/Health%20Practices/COVID-19-Decision-Tree.pdf?updated=091721>
 - Given standard guidance for isolation at home: see link above.
 - Additional close contacts at camp should also isolate at home.
 - I will communicate plans for camp closure to include outreach to campers, parents, staff, and the community.

If the camp must be closed, the refund will not be made for the week that has already started and will be refunded for all following weeks that have not started.
