

FORTE FENCING

EPEE FOR EVERYONE

Forte Fencing's after-school program introduces Olympic-style fencing to students. Participants learn basic footwork and sword moves, competitive techniques, along with the strategy and analytical skills that all great fencers need. Classes are game-oriented and entertaining as an element of fun helps student learn new skills faster. This program will help children develop hand-eye coordination, speed, endurance and mental agility. Students will also learn the history of the sport and will participate in a tournament on the last day of the program.
