

SUMMER SKATE CAMP

FOR THE FIRST TIME AT LFSD!!

Our program is open to students of all skill levels and is perfect for those who want to learn the basic fundamentals of skateboarding, as well as gain technical knowledge such as the parts of the skateboard and their functions.

Our experienced and dedicated instructors have been teaching for 5+ years and are excited to share their passion for skateboarding with your child. Each day from 9am-3pm, we'll cover a variety of skills and techniques, and offer plenty of opportunities for hands-on practice.

In addition to the fundamentals of skateboarding, we'll also be incorporating other exciting activities and games into our curriculum, ensuring your child has a well-rounded and engaging experience. By joining our program, your child will develop balance, coordination, and agility, as well as improve their self-confidence and determination. Skateboarding is a great way to get outdoors, stay active, and make new friends in a safe and supportive environment.

Don't miss out on this incredible opportunity for your child to try something new and exciting! Register now to secure your child's spot in our skateboarding camp!
