

Le Lycée Français de San Diego Preschool Camp

8401 Aero Drive. San Diego, CA, 92123. USA | (858) 277-1514 | administration@lfsd.org | Lic#37670138

~Monday, October 16th through Friday, October 20th, 2023~

Below is information to help parents navigate the program this coming fall

Hours of Operation: 8:30 am to 5:00 pm

But students can arrive or get picked up at any time through-out the day

- Students DROP OFF hours at the **back black gate** will be between: 8:30 am to 9:00 am (30 mins).
- Student PICK UP at the **back black gate** will start at: 3:00 pm and closes at 5:00 pm (2 hours).
- If you are dropping off or picking up your child between: **9:00 am and 3:00 pm**, please go through the front office
- There will be a call home and a \$2.00 fee every minute after **5:00 pm**.

Students will need to bring in a bag or backpack:

- Water bottle
- Sunscreen and hat
- Doudou or lovey (if needed)
- Blanket and crib size sheet with a carrying bag (no pillows)
- 2 full change of clothing: socks, underwear, shirt and pants.
- Diapers (if needed, week by week basis)
- Large zip lock bag with child's name (for returning soiled clothes)
- One lunch box with healthy food (**Girard Gourmet will not be available**)

Most importantly, everything must clearly have your child's name. Items can easily be lost without names.

Uniforms are not necessary but your child might get messy and/or wet.

All shoes, plus sandals need to be closed-toe shoes for students' safety.

Inside the school: (Students will spend most of the time outside during nice weather)

- There will be a ratio of a max of 12 to 14 students in the classroom with two teachers
- Students will still be provided a morning snack and afternoon snack (2 snack times)
- Lunch time is from 11:45 am to 12:15 pm (a healthy home lunch is best)
- Naptime starts at 12:30 pm until 2:30 pm (for all students)

Welcome to our Preschool Camp, the program will be focused on building social connections with other preschool ages. The program times are the same layout as the rest of the school year but students can choose the activities they prefer: making group art projects, yummy cooking treats, playing sand & water games, being physically active outside & more.

Merci, Jasmine
