Coding Classes

Minecraft Code: Super MarioCraft (K-5th)

Monday 8:30 am - 3:30 pm
Jul 6, 7, 8, 9, 10

Students will create colorful levels in the Mushroom Kingdom, make characters move and jump, add power-ups, and design simple challenges to complete. Along the way, students will practice important skills including following steps, solving problems, thinking logically, and being creative while learning basic coding concepts in a hands-on way.

Price $450

Robotics Classes

Robotics (K-5th)
Monday 8:30 am - 3:30 pm
Jul 27, 28, 29, 30, 31

Step by step, kids build a variety of cool Lego robots based around a motor and controller. Then, kids use a block based programming language to make their creation come to life! It's educational, cool, and FUN!
